Rep. Samantha Kerkman  
40255 105th St  
Genoa City, WI 53128

Dear Rep. Kerkman,

Thank you for attending my listening session prior to the June 10<sup>th</sup> special election. I have taken to heart the issues you shared with me and I have been working on a number of them since I was sworn into office on June 18<sup>th</sup>.

I wanted you to know that your input is valuable and that's why I'm calling on you again to share more of your insight.

As you may know, Kenosha County purchased a former gravel pit about seven years ago along Highway KD. Since then, the KD Park has been a dream, but now it is time to make it a reality.

You are invited to participate at a public hearing to share your ideas about the park with me and other Kenosha County officials.

The Kenosha County Highway and Parks Committee is hosting the public hearing at 6:00 p.m. on Monday, August 4, 2008 at the Randall Town Hall, 34530 Bassett Road, in Bassett, prior to the regular business meeting.

I look forward to seeing you there and hearing your ideas.

Sincerely,

Jim Kreuser  
Kenosha County Executive
