Subject: Vote yes on AB 138

Ms. Kerkman,

I am writing you today to ask that you vote yes on Assembly Bill 138. As a Wisconsin Sportsman, I feel very strongly that the appointment of the Secretary of Natural Resources be given to the Natural Resources board. I also feel that it is important to block any attempts to add amendments to this bill or any other attempts to delay or kill passage of this bill.

Thank you

James Hanrahan
