Re: AB 367

Dear Representative,

On behalf of Wisconsin Teamsters Joint Council 39, I am registering our support for the above referenced bill.

Unemployment rates are up and as a result, there are a large number of men and women that are struggling to make ends meet. They can't find another job, and are behind in their bills and cannot get back on their feet. They have to decide on whether to feed and care for their family or pay the bills. Needless to say, family needs take precedence.

To deny a person a job based on credit history, especially in these trying times, is nothing more than "kick them while they are down". This is a common sense bill and hopefully will be passed into law.

We are respectfully requesting that you support this bill, and urge your fellow legislators to do the same.

Sincerely,

Danny L. McGowan
Legislative Liaison
