

NATURAL RESOURCES -- REORGANIZATION

Department Reorganization
[LFB Paper #455]

Motion:

Move to adopt Alternative 2 to adopt the Governor's recommendation as modified by the errata and additional technical corrections. In addition, the alternative also deletes "or representatives in charge of any state park" from section 27.01(13) of the statutes. (This would clarify that DNR wardens are the only Department staff with arrest powers within state park properties.) Further, adopt Alternative 5 to maintain the existing appropriation language for the appropriations under section 20.370(9)(ma), (9)(mq), (9)(mu), and (9)(mv) of the statutes, but add "watershed management and environmental analysis and sustainability" to the list of uses of funds from these appropriations.
