

Representative Taylor

GOVERNOR

Standard Budget Adjustments and Transfer Read to Lead Grant Program

Motion:

Move to reestimate the GPR sum sufficient general program operations appropriations for the Governor for executive administration and the executive residence by -\$211,300 GPR annually associated with full funding of continuing salaries and fringe benefits. Provide an additional \$211,300 GPR annually to the GPR literacy improvement aids appropriation.

---

Note:

\*Under this motion, \$211,300 GPR annually in funding provided to the Governor for full funding of continuing salaries and fringe benefits would be deleted. An equivalent amount of funding would be provided to the GPR literacy improvement aids appropriation to provide increased grant funding for the Read to Lead Grant program.
