2015 BILL

1 **AN ACT** *to create* 66.0408 of the statutes; **relating to:** local ordinances and
2 providing a reduction in shared revenue payments.

Analysis by the Legislative Reference Bureau

This bill prohibits a city, village, town, or county (political subdivision) from enacting an ordinance, adopting a resolution, or establishing a policy that would prohibit an employee from inquiring whether an individual who receives public services is lawfully present in the state, notifying the federal government of the presence of aliens who are not lawfully present, or acting according to or complying with state law regarding arrested persons who are not lawfully present. Under the bill, a state resident who believes that a political subdivision is not complying with these requirements may petition for a writ of mandamus requiring compliance, and, if a court finds that a political subdivision has failed to comply, the department of revenue must reduce the political subdivision's shared revenue payments in the next year by \$500 to \$5,000, depending on the political subdivision's population, for each day of noncompliance.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
