## IN THE DISTRICT

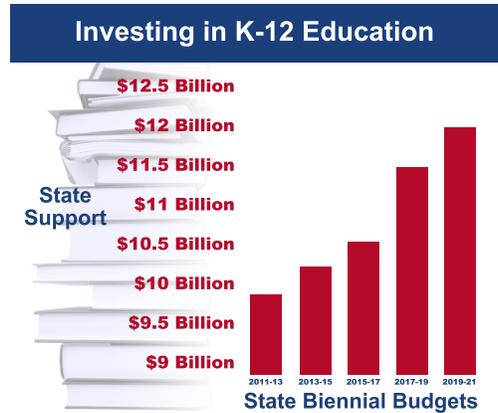

As an active and engaged member of our community, I always enjoy the opportunity to learn more about challenges and successes in our area.

I hope to see you at one of the many upcoming events in the district!

## HISTORIC EDUCATION FUNDING

Ensuring Wisconsin has strong schools is important. That is why our children's education remains the top expenditure in the state budget. Education funding was increased to its highest level ever at **over \$12 billion**.

## REJECTING DEMOCRATS' EFFORTS TO EXPAND WELFARE

**Protecting taxpayers** is a top priority of mine. That is why I am committed to **blocking Democrats' plans to expand welfare** in our state. Public assistance should be a trampoline, not a hammock. I believe **drug testing welfare recipients** is a wise policy that will ensure our generous system is not being abused.

### ASSEMBLY BILL 1

Ensuring insurance coverage for pre-existing conditions

## ENSURING HIGH QUALITY HEALTH CARE

Following through on a promise, the first bill passed this session ensured that those with **pre-existing conditions** kept their insurance coverage. Republicans also **invested in multiple health care programs** like nursing homes, personal care workers, and critical care hospitals.

I will continue to fight for high quality health care by **keeping government out of your health care decisions**.

## REDUCING THE TAX BURDEN

Once again, cutting taxes for Wisconsin families was a top priority. We enacted a **Middle Class Tax Cut**, which brings the total reduction in taxes since I was first elected to nearly **\$13 billion**.

As a result of Republican reforms, the tax burden for Wisconsinites has dropped to a **50 year low**.

**TAXES**

REDUCING taxes by more than  
**\$13 BILLION**

*Representative August welcomes President Trump to Wisconsin during a recent visit.*

## HONORING WI NATIONAL GUARD WHO VOLUNTEERED FOR THE SW BORDER MISSION

This session we honored brave WI National Guard members who answered the call to **defend the southern border** in Arizona and New Mexico. The members aided Customs and Border Patrol agents in their efforts to **stop deadly drugs and criminals from entering the United States**.

In a puzzling move, Governor Tony Evers arbitrarily called the National Guard back from their mission, thereby pulling valuable and needed resources from this important mission.

*Representative August honors WI National Guardsman Christopher Phillips of Delavan, WI*
