**WISCONSIN EDUCATIONAL COMMUNICATIONS BOARD
RADIO AND TELEVISION NETWORKS**

We have completed financial audits of the Wisconsin Educational Communications Board Radio Network and the Wisconsin Educational Communications Board Television Network for the fiscal year ended June 30, 2000 and have issued unqualified independent auditor's reports on their financial statements and notes. We performed the audits at the request of the Educational Communications Board to fulfill audit requirements of the Corporation for Public Broadcasting. The Corporation requires audited financial statements of public broadcasting entities to determine future funding levels.

The Educational Communications Board, which is an agency of the State of Wisconsin, operates a television network of 5 stations, as well as a radio network of 12 FM stations and 1 AM station. The radio network received \$6.5 million and the television network received \$12.2 million in support and revenue during FY 1999-2000, including state support, member contributions, funding from the Corporation for Public Broadcasting, and various other grants.
