

Retirement Funds Investment Activity Calendar Year 2017

State of Wisconsin Investment Board

Background

The State of Wisconsin Investment Board (SWIB) invests assets for the Wisconsin Retirement System (WRS) that are held in the Core Retirement Investment Trust Fund (Core Fund) and the Variable Retirement Investment Trust Fund (Variable Fund). Together, these funds are known as the Retirement Funds. SWIB also manages the State Investment Fund, and six other state insurance and trust funds. SWIB is governed by a nine-member Board of Trustees. Six of the trustees are appointed by the Governor, with the advice and consent of the Senate, and two of the trustees are WRS participants who are appointed by retirement boards. In addition, the Secretary of the Department of Administration or a designee also serves as a trustee.

To fulfill our statutory requirements, we conducted a financial audit of SWIB by auditing the financial statements for the Retirement Funds in accordance with applicable government auditing standards, issuing our auditor's opinions, and reviewing internal controls. These financial statements report the investment activity of the WRS.

Audit Results

We provided unmodified opinions on the Core Fund and the Variable Fund financial statements for the year ended December 31, 2017. We provide an unmodified opinion when audit evidence supports the conclusion that the financial statements provide a fair view of an entity's financial activity in accordance with governmental accounting standards. Our unmodified opinions are included in SWIB's [2017 Retirement Funds Annual Report](#).
