

Wisconsin Lottery Fiscal Year 2018-19

Background

The Wisconsin Lottery, which began operations in September 1988, is administered by the Department of Revenue. The Wisconsin Lottery sells instant tickets and lotto tickets, and participates in the national Powerball and Mega Millions lotto games. The Wisconsin Constitution and Wisconsin Statutes impose certain limitations on lottery expenses. The Wisconsin Constitution also requires that net proceeds from the Wisconsin Lottery be used exclusively for property tax relief for Wisconsin residents.

To fulfill our statutory requirement, we conducted a financial audit of the Wisconsin Lottery by auditing its financial statements in accordance with applicable government auditing standards, providing an auditor's opinion, reviewing internal controls, and assessing compliance with certain statutory spending limitations.

Our audit report also includes the [Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters](#).
