Workforce Development, Department of .....	51

# INTRODUCTION

To assist the Legislature, the Legislative Council has compiled this directory of employees identified by various state agencies that:

1. Serve as the agency's designated "legislative liaison";
2. Appear for information purposes, or as observers, at standing and study committee hearings and meetings; or
3. Are frequently contacted by legislators and legislative staff for specific types of information.<sup>1</sup>

The document contains an alphabetical list of the agencies. The agency head, main address, and telephone numbers are also included.

This document is revised and reissued at the beginning of each legislative session, based on information received from the agencies. This document is also updated every month during the course of the session. The most recent version of the document is available on the Legislative Council website at <http://legis.wisconsin.gov/lc>. If you have any questions, please contact the Legislative Council staff offices at 266-1304; or email the Legislative Council at [leg.council@legis.wisconsin.gov](mailto:leg.council@legis.wisconsin.gov).

---

<sup>1</sup> This document may not contain all employees of an agency whose regular duties include attempting to influence legislative action. For purposes of the Lobbying Code, the Ethics Commission maintains a directory of officers and employees of agencies whose regular duties include attempting to influence legislative action. [s. 13.695, Stats.] The directory is available on the Ethics Commission's website at <https://ethics.wi.gov/Pages/home.aspx>.
