To Whom It May Concern:

I am writing to encourage you to support the City of Wisconsin Rapids and the North Central Regional Planning Commission's application for a United States Economic Development Administration (EDA) Cares Act Grant.

The idling of the Verso Mill in Wisconsin Rapids, due to COVID-19, has directly affected several hundred local families and the community itself. The impact is far-reaching and is not isolated to Wisconsin Rapids. The state's timber and transportation employees are suffering from the loss of the mill as well.

The City of Wisconsin Rapids and the North Central Regional Planning Commission, along with other local organizations, have been working together to find an avenue to provide jobs and reestablish stability to families in Wisconsin Rapids and throughout Wisconsin.

Please work with the City of Wisconsin Rapids and the North Central Regional Planning Commission to give my community an opportunity to move forward.

Sincerely,
