

STATE SENATOR LaTonya Johnson

WISCONSIN STATE SENATE

6TH DISTRICT

Dear Neighbors,

It is often difficult to determine which level of government to call to get an answer to a question or to report a concern related to a government service or program. I have developed this list, broken down by the various units of government: City, County, State and Federal, to assist with that task. To find out who your elected officials are at all levels of government, you can go to:

http://act.commoncause.org/site/PageServer?pagename=sunlight_advocacy_list_page or you can call the main number listed under each level of government heading below.

You are always welcome to contact my office at 414-313-1241 and my staff will assist in connecting you to the proper authority to deal with your concern.

Sen. LaTonya Johnson
6th Senate District
