SENT VIA U.S. MAIL AND ELECTRONIC MAIL TO:

Mr. John Chisholm Milwaukee County District Attorney

Dear District Attorney Chisholm:

On February 15, 2021, you received notice of a cabal of individuals who, on December 14, 2020, brazenly engaged in a conspiracy to commit criminal acts including forgery, falsely assuming to act as a public officer, and misconduct in public office. They did so with the clear intent to fraudulently steal the election and sabotage our democracy.

The February 15 letter from Jeffrey A. Mandell and Mel Barnes detailed the felonious acts of December 2020 and provided compelling evidence that requires investigation and decisive action.

We write today to request an update on your investigation into this blatant criminal attempt to defraud our free and fair elections and throw the election to the losing candidate. Tolerating such criminal activity not only perpetuates election falsehoods but also emboldens open attacks on the foundation and functions of our democracy. As Congress continues to sort through the deadly January 6th insurrection at the U.S. Capitol, Wisconsin must do all it can to prosecute sedition within its own borders.

We look forward to your response.

In service,

Chris Larson
State Senator
7th District

Jonathan Brostoff
State Representative
19th District
