WISCONSIN'S 12TH SENATE DISTRICT

2ND AMENDMENT SANCTUARY STATE BILL HEADS TO GOVERNOR

On Wednesday, the Wisconsin State Senate passed my 2nd Amendment Sanctuary State legislation. It will now be sent to Governor Evers' desk, where he will have the option to sign it into law.

This bill gives assurances to ALL law-abiding Wisconsin gun owners, on both sides of the aisle, that their 2nd Amendment rights will not be infringed upon by radical government actors in Washington D.C.

The bill would prohibit any Wisconsin entity or person from enforcing a federal act, law, statute, rule, regulation, treaty, or order that takes effect after January 21, 2021 and does any of the following: bans any firearms, weapons, or magazines; requires registration for firearms, magazines, or firearm accessories; regulates the capacity of magazines; regulates the quantity of ammunition or bullets one may possess; prohibits a type of ammunition; or requires the confiscation of a firearm.

As we approach the 245th birthday of the United States of America, there is no better time to look back and reflect on who we are and how we got here. We are the greatest country in the world, with freedoms for every man and woman enshrined in our Constitution. Only after raising an army to defeat an tyrannical oppressor were we as a nation able to establish protections to make sure we never find ourselves in that situation again. Given our country's history, it is sheer lunacy that people in Washington D.C. openly discuss stripping the rights of legal gun owners throughout our country.
