## Legislative LGBTQ+ Caucus Joins Governor Evers to Kick Off Pride Month

MADISON, Wis. — Today, the Legislative LGBTQ+ Caucus joined Governor Tony Evers to raise the Progress Pride Flag over the Capitol and introduced a resolution honoring LGBTQ+ Pride Month. The members released the following statement:

“It is a great day to be a Wisconsinite.

“As we raise the Pride Flag over the Wisconsin State Capitol for the fifth time in history and re-introduce our resolution honoring LGBTQ+ Pride Month, we reaffirm our commitment to making Wisconsin a welcoming, accepting, and inclusive place for everyone, regardless of gender identity or sexual orientation. The symbolism of this moment is not lost on us, especially as attacks against LGBTQ+ rights and individuals have increased across the country.

“As out LGBTQ+ legislators, we are dedicated to introducing and fighting for legislation to provide equal rights and protections for all LGBTQ+ Wisconsinites.

“We would like to sincerely thank Governor Evers for once again recognizing the importance of raising the flag and proclaiming June as LGBTQ+ Pride Month. We will continue to work with Governor Evers, our legislative colleagues, and allies to do what’s best for everyone in our state.”
