Senator Melissa Agard to Host "Walk in the Park" Listening Sessions
Outdoor listening sessions across 16th Senate District will be safe and socially distanced

MADISON - Senator Melissa Agard (D-Madison) announces seven listening sessions across the 16th Senate District. Senator Agard has previously hosted seven virtual listening sessions.

Senator Agard released this statement:

"My top priority as a state senator is listening to the people I represent and bringing their values into the State Capitol. With safety in mind, I am glad to announce outdoor listening sessions across the 16th Senate District in many of our beautiful parks and outdoor spaces. I look forward to hearing my constituents' thoughts on their priorities for the district, as well as for Wisconsin overall. I hope to see many of my constituents there, masked and socially distanced!"
