Government Accountability Board (GAB) Redistricting Meeting

Questions for GAB Staff

1. Will the process dealing with census blocks conflicting with municipal boundaries, documented in the attached memorandum dated November 10th, 2011, change assembly or congressional lines outlined in 2011 Wisconsin Acts 43 and 44? Specifically, will it change legislative district population totals?

   For example:

   Using the attached map as a reference, will census block 3000 (2010 population of 142) located in the Town of Harmony (census designation) in Rock County still be in the 31st Assembly district (Act 43) and in the 2nd Congressional district (Act 44) after the GAB processing is complete?

   - **4.31 Thirty-first assembly district.** All of the following territory constitutes the 31st assembly district: (c) That part of the town of Harmony comprising U.S. census tract 1202, blocks 3000.

   - **The full Act 43 text can be found here:** (https://docs.legis.wisconsin.gov/2011/related/acts/43)

2. Will the process dealing with census blocks conflicting with municipal boundaries, documented in the memorandum dated November 10th, 2011, result in the splitting of census blocks?
   a. If census blocks are split, how would population of the underlying census block be distributed?

3. Is the process of dealing with census blocks conflicting with municipal boundaries, documented in the attached memorandum dated November 10th, 2011, being implemented?
   a. Is this letter referring to the process outlined in the memorandum?
