Good Afternoon Joe,

The leaders have approved the $5,000/unlimited hours contract. As the trust account from which you will be paid is at MB&F, Eric McLeod will be sending that to you this week. It will be great to have you on board.

The problem here is that the group want 70%. This is classic overkill. I am already very worried about the 65%, and now we have groups wanting 70%.
Can we see what that would look like? I assume it makes the second assembly district not much better than 50-55%.

Team,

Please take a look at the attached press release from Voces de la Frontera regarding Milwaukee's aldermanic districts. They are lobbying for a third Hispanic aldermanic district and increasing the Hispanic voting age population in the already-proposed Hispanic districts. In a 15 seat city plan the ideal population for an aldermanic district is 39,656, compared to 57,444 per assembly district.

Any thoughts on how this could tie into our current thought process regarding the south side?

Adam
Interesting comments in that the ‘process’ still dominates. Also, we now can be certain what they are saying which is a major plus.
Notice the absence of the 50% Senate district claim and the claim that we’ve left Latino’s out. Thus, the alternative of simply redrawing within the area remains a real possibility.

Hola Ray:

Hope you had a great weekend. Today is Monday morning and I must share with you that I will not be able to participate of the meeting scheduled for 8 am. I'm sure there will be several opportunities that perhaps we can work together in the near future.

Sincerely,

Juan Carlos
