Tad & Adam,

I spoke to the attorneys at MALDEF. They have been working with the maps and would like to propose a middle ground where 8 has 65% Tot pop/60% VAP and 9 has 60% TotPop/53% VAP. (and North District/South District configuration.) They are sending me their proposal and would like to talk again tomorrow. I'll send that as soon as I have it so you can see if it would work.

They are also reaching out today to Milwaukee connections in the Latino community so this will likely become a more dynamic process.

They will certainly consider testifying, but need to know when (Wens or Fri and the process).

Jim
This is a map I worked on over the weekend that has AD 8 at 60% VAP and 9 at about 54% VAP. It will be interesting to see how this compares with what they have come up with.

Speaking with Sen Zipperer, he wants to proceed with a Wednesday hearing.
