Team,

Please take a look at the attached press release from Voces de la Frontera regarding Milwaukee's aldermanic districts. They are lobbying for a third Hispanic aldermanic district and increasing the Hispanic voting age population in the already-proposed Hispanic districts. In a 15 seat city plan the ideal population for an aldermanic district is 39,656, compared to 57,444 per assembly district.

Any thoughts on how this could tie into our current thought process regarding the south side?
