Keith,

The maps in 2002 had a single assembly district above 50% HVAP and that was 58.34%. The neighboring district was 22.97%.

Jim

Subject: Wisconsin Hispanic Districts

Keith,

Jim Troupis asked that I have you take a look at the amendment that was adopted in committee on the hispanic districts. Here is the link to the interactive maps:  http://legis.wisconsin.gov/ltsb/redistricting/bills.htm
Amendment 2 was the configuration that was adopted. The HVAP in AD 8 is 60.5% and in AD 9 it is 54%. The incumbent lives in AD 8 and AD 9 is open under all alternatives.

There was testimony by 2 different hispanic groups in favor of the configuration in amendment 2. No one that I'm aware of testified in favor of either the bill configuration (AD 8 HVAP 57.2%, AD 9 HVAP 57.2%) or in favor of amendment 1 (AD 8 HVAP 64%, AD 9 HVAP 50%).

Jim was going to call you later today to get your thoughts if you have a chance to take a look at the amendment.

Thanks,

Tad Ottman
