Jim,
Thank you for the information. Alonzo and I will be reviewing your materials and will like to speak with you on Friday. Is there a time that is convenient for you?

We look forward to speaking with you.

Elise,

Attached is information and some ideas you may find helpful concerning Milwaukee. As I mentioned, the Hispanic population is very concentrated on Milwaukee’s Southside, and is growing rapidly. The attached ideas either divide the population evenly, both well above 50% or divide that population into a significantly larger district and a smaller, but still above 50%, assembly district. Three assembly districts comprise one State Senate District. Over the coming decade the Senate district is, I think, likely to become predominantly Hispanic.

Let us know your thoughts.
Thank you again for your insight.
