**LEGISLATIVE DEMOCRATS PROMOTE WOMEN'S HEALTH, CIRCULATE
REPRODUCTIVE FREEDOM ACT**

MADISON, WI – Today, Legislative Democrats circulated the Reproductive Freedom Act, which restores basic healthcare rights to women across Wisconsin. Senator Dassler-Alfheim (D-Appleton) released the following statement:

“There’s a lot going on right now, but we cannot leave the women of Wisconsin behind. This bill, which reflects views held by a majority of Wisconsinites and restores the rights that, until recently, women enjoyed for decades, ensures that we don’t.”
