LIBERAL MAJORITY RULES IN LOCKSTEP TO AVOID STATING THE OBVIOUS

Statement on Supreme Court Ruling in *Brown v. WI Elections Commission*

“Today is a dark day for Wisconsin. The liberal majority of the Wisconsin Supreme Court voted in lockstep to deny the ability of almost anyone to legally challenge a decision by the Wisconsin Elections Commission and, more broadly, most government bodies.”

“Rather than risk stating the obvious, that the city of Racine illegally ran a mobile voting van for an illegal partisan advantage, and the circuit court ruled instead that no one can challenge the illegal scheme. The ruling would be ridiculous if it wasn’t so pathetically partisan.”
