Bernier Response to Severe Storm

(Madison)...State Senator Kathy Bernier (R-Lake Hallie) issued the following statement following severe storms and a likely tornado that affected portions of the 23rd Senate District:

“My thoughts and prayers are with those who were affected by last night’s storms. I am relieved to hear that there were no immediate reports of serious injuries or worse, but even with that good news, there will be a long road to recovery for some.

“I encourage anyone in need of assistance to work with their County Emergency Management and local officials who are already coordinating the needed response and recovery. My office will be happy to help direct people to required resources as needed.”
