## **This Weekend and on Memorial Day, We Remember**

*Assembly Democrats Release a Video Remembering the Fallen for Memorial Day*

MADISON – Each year as a nation we come together on the last Monday of the month of May to observe Memorial Day and honor those who gave the last full measure of devotion to protect the ideals and values of our United States. To honor the fallen, Representative Dianne Hesselbein (D-Middleton), along with her colleagues released a video in remembrance.

**“We have so much to thank our fallen veterans for. America’s unique exceptionalism is largely a result of their sacrifice. Let’s reflect on those sacrifices this Memorial Day while we also look forward and think about how we can work for our living veterans of all ages,”** said Hesselbein, ranking member on the Assembly Committee on Veterans and Military Affairs.

Multiple State Representatives are featured in the video to provide a history of Memorial Day and honor fallen soldiers in their district or that they remember in their life. The video is available to view [here](#).

**“As we begin this weekend, let us remember our service men and women who paid the ultimate price for our freedom,”** said Hesselbein.
