Democratic Legislative Leaders: Hagedorn Must Recuse on Act 10

MADISON, Wis. - Assembly Democratic Leader Greta Neubauer (D-Racine) and Senate Democratic Leader Dianne Hesselbein (D-Middleton) issued the following statement calling on Justice Brian Hagedorn to recuse himself from the pending Act 10 lawsuit:

“Supreme Court Justice Brian Hagedorn should announce his intention to recuse himself from the pending Act 10 lawsuit immediately. As former Governor Scott Walker’s chief legal counsel, Hagedorn was a key drafter of this legislation. The need for recusal in this case is extremely clear.”
