SEN. HESSELBEIN AND REP. JOERS ANNOUNCE BUDGET LISTENING SESSIONS

MADISON – State Senator Dianne Hesselbein (D-Middleton) and State Representative Alex Joers (D-Middleton) announced today that they will be hosting three budget listening sessions. Governor Evers will be delivering his 2023-25 biennial budget address on Wednesday, February 15th and these listening sessions are for constituents to find out more about what is included in that proposal.

“These sessions will be a great opportunity for the public to learn about the governor’s budget and ask questions about the various provisions,” said Sen. Hesselbein. “There will be a lot of news about the budget in the next few months and we want to provide as much information as we can to help people understand the issues.”

“I’m looking forward to hearing our constituents’ thoughts and opinions on the most important piece of legislation we take up this session,” said Rep. Joers. “I highly encourage anyone to attend who is curious about the state budget process.”
