## **Senator Hesselbein Congratulates Good Friend and Colleague, Rep. Considine, on His Retirement and 10 Years of Service**

MADISON, Wis – Today, Representative Dave Considine (D-Baraboo) announced that he will not be seeking reelection to the Wisconsin State Assembly. Senator Hesselbein (D-Middleton) released the following statement congratulating her friend and colleague:

“I want to congratulate Representative Dave Considine on an amazing career and thank him for his service to the state of Wisconsin. As Rep. Considine and I would travel through the district together, we met countless constituents and neighbors who always had a great story to share about how Dave and his team helped them. Whether it was his time inspiring students as a teacher for 29 years or helping farmers navigate equipment, Representative Considine embodies public service, honesty and hard work.

“His belief that government should be about neighbors and friends working together continues to inspire me and others within the Capitol. I wish Representative Considine and his wife Gretchen the best in his retirement and am extremely proud of the work he has done for his community and the state of Wisconsin.”
