## **Sen. Tomczyk on Passage of Shared Revenue Bill**

Madison, WI – Senator Cory Tomczyk (R-Mosinee) issued the following statement regarding AB 245.

“I am proud to have voted for AB 245. This bill provides a critical investment in shared revenue for communities across Wisconsin. Every municipality in the 29<sup>th</sup> Senate District will see an increase of at least 20%, meaning more resources for first responders, road repairs, and other critical local services.

AB 245 also repeals the personal property tax, an outdated burden for Wisconsin businesses. Repealing the personal property tax has been a long time coming and I am glad that it will finally be eliminated. Small businesses across the state will immediately feel the impact of this much needed relief.”
