Wimberger Statement on Neglect of Veterans at Union Grove

GREEN BAY, WI — Wisconsin State Senator Eric Wimberger (R-Green Bay) issued the following statement regarding the failure to care for our veterans at the Wisconsin Veterans Home at Union Grove:

“The reports of abuse and neglect coming out of Union Grove are beyond troubling. Our veterans homes were created to give vets the best possible care and Union Grove has fallen far short of that promise. Our veterans deserve better. We are getting a full accounting of the facts and will use all levers of the state to make sure this nightmare is over for our vets and that the promise made to these heroes is restored.”
