JFC Passes \$4.4 Billion in Tax Cuts

Madison, WI —Senator Eric Wimberger (R – Green Bay) issued the following statement after the Joint Committee on Finance completed its work on the state budget:

“The budget put forward by the Joint Committee on Finance is great for Wisconsin. It includes \$4.4 billion in tax cuts while making historic investments in our public, choice and charter schools, and major new investments in healthcare, workforce development, and our local roads.

“As a first-term member of the committee, I was successful in securing funding to build the Southern Bridge in De Pere, expanded needed residencies for psychiatrists in our area, and established a dedicated \$125 million trust fund to address PFAS contamination in our state. I look forward to the governor signing it into law.”
