Senator Pfaff Applauds Signing of Fair Maps

Madison, WI – Today, Governor Evers signed new, fair legislative maps into law. This comes after the Wisconsin Supreme Court determined Wisconsin’s prior legislative maps were unconstitutional. State Senator Brad Pfaff (D-Onalaska) released the following statement on the new maps:

“Today, Wisconsin ushers in a new era of fairness in our democracy after years of living under unconstitutional, gerrymandered maps.”

“Governor Evers’ fair maps reflect the will of the people of Wisconsin. Today, the voice of the people has been heard.”

“I firmly believe there is more that unites us than divides us, and I will continue to work each day to improve the lives of the people of western Wisconsin.”
