Senator Pfaff Congratulates Eastman First Responders

Eastman, WI – On Saturday, March 9th, State Senator Brad Pfaff (D-Onalaska) joined the Eastman First Responders to congratulate them on their new truck, which was purchased with funding the Eastman First Responders received from Wisconsin’s EMS Flex Grant Program. The Eastman First Responders is a volunteer organization which was formed in 1978 with ten original members. Today, the unit has grown to 30 active members that serve the Town and Village of Eastman, and nearby areas.

Senator Pfaff released the following statement:

“First responders keep our communities safe and provide life-saving care to citizens in need. This truck will improve public safety in Eastman and provide for reliable responses to emergencies in the region.

“I’m proud to support our first responders, and am happy to see the positive impact this will have on the Eastman community.”
