Senator Tiffany and Representative Craig Raise Question After Document Dump

State Senator Tom Tiffany (R-Hazelhurst) and Representative Dave Craig (R-Town of Vernon) released the following statement today following the unsealing of 182 pages of Government Accountability Board (GAB) documents related to the John Doe investigation:

“On Thursday evening, Waukesha County Court released 182 pages of secret GAB documents related to the John Doe investigation. Among these documents, it was revealed in a February 28, 2013 email to fellow GAB employees, former GAB staff council states, *‘As you may know, things are really heating up here. Kevin (Kennedy) and Jon (Becker) would like a status on what is happening with Badger Doe and update you on a communication Kevin had with the IRS.’*

In light of this statement, we are asking GAB Director, Mr. Kevin Kennedy, to reveal what these communications were. In the name of open and transparent government, the people of Wisconsin deserve to know, especially when Mr. Kennedy says he is a personal friend of Lois Lerner, the head of the IRS division accused of targeting conservative groups seeking nonprofit status.”
