### **Bucks License Plate, Mental Health in Schools, and other Senator LeMahieu Bills Signed Into Law**

**Madison** – Today, Governor Scott Walker, signed four bills authored by Senator Devin LeMahieu (R-Oostburg) into law, bringing his total for the 2015-16 legislative session to 18. In response, Senator LeMahieu released the following statement:

“I’ve had the opportunity to work on a wide variety of issues during my first session as a State Senator, starting with the 70mph speed limit increase and charitable raffle reform, to increasing the availability of mental health services in schools. Having four more bills signed today is a great way to end the 2015-16 Legislative session.”

**Assembly Bill 664 – Mental Health Services in Schools**

*Increases mental health services to students by permitting licensed treatment professionals to provide services in schools without having to establish a branch office and paying the annual clinic fees.*

**Senate Bill 550 – Milwaukee Bucks License Plate**

*Creates a Milwaukee Bucks License Plate with proceeds going to help pay down the state’s portion of the new arena deal. Bucks press release on SB 550: <http://www.nba.com/bucks/Plates>.*

**Assembly Bill 174 – Helping Private Campgrounds**

*Provides protection for private campground owners from frivolous lawsuits similar to public campgrounds.*

**Assembly Bill 837 – Business Entity Uniform Partnership Law**

*The first bill of an overall legislative package to update and improve Wisconsin's business entity statutes, this law aligns Wisconsin statutes with the Revised Uniform Partnership Act. This law will make it easier for businesses to relocate to Wisconsin.*

*Senator Devin LeMahieu serves the 9<sup>th</sup> Senate District, which includes portions of Calumet, Manitowoc, and Sheboygan Counties.*
