WISCONSIN STATE SENATE

2025 SENATE SCHOLAR PROGRAM

APPLICATION AND PROGRAM INFORMATION

ELIGIBILITY

The Senate Scholar Program is open to all Wisconsin high school juniors and seniors aged 16-18. Each Senate Scholar must have outstanding academic qualifications and experiences that demonstrate an ability to perform tasks with a high degree of responsibility. Applicants may also be subject to additional requirements imposed by their high school.

EQUAL OPPORTUNITY

Application decisions are made by an admissions committee composed of the Chief Clerk and Director of Operations, the Sergeant at Arms, the Legislative Education and Outreach Officer and select legislative staff. The Wisconsin State Senate does not discriminate on the basis of race, gender, religion, disability, national origin or ancestry, or any other basis prohibited by law. The Wisconsin State Senate will make reasonable accommodations in the application process and program for individuals with disabilities.

CURRICULUM

Senate Scholars engage in a variety of experiences during their stay in the program. Typical activities may include attending floor debates in the Senate Chamber, committee hearings, and seminars conducted by individuals involved in the legislative process such as lobbyists, reporters, legislative staff, Governor's staff and Supreme Court Justices.

In addition, Senate Scholars will be required to engage in mock legislative activities, such as bill and amendment drafting, policy analysis, fiscal analysis, constituent communications and lobbying. These activities will culminate in a mock legislative hearing at which Senate Scholars will provide testimony and then hold an executive session to vote a bill out of committee. Parents and relatives are encouraged to attend this hearing.

At the close of the program, there will be an awards reception at which certificates will be presented to the Senate Scholars. Parents and relatives are invited and encouraged to attend this event.

FUN ACTIVITIES

Although the rigorous curriculum is itself an enjoyable challenge, fun evening activities are also planned for each group of Senate Scholars. Typical activities may include movies, bowling at University of Wisconsin-Madison's Union South, minigolfing, games, sporting and cultural events and dining at local restaurants.

HOUSING AND TRANSPORTATION

Each Senate Scholar is required to stay at the Concourse Hotel in downtown Madison and the cost is included in the tuition fee. The hotel is located one block from the State Capitol. The Legislative Education and Outreach Officer also stays at this hotel and is available to Senate Scholars 24 hours a day. It is the responsibility of each Senate Scholar to obtain transportation to and from Madison.

CODE OF CONDUCT

Although a significant level of supervision will be provided, each Senate Scholar is responsible for governing his or her own behavior. Each Senate Scholar is required to sign a code of conduct, which includes a promise not to consume alcoholic beverages or illegal substances during participation in the program. Any participant found in violation of the code of conduct may be dismissed from the program without refund of tuition, and his or her parent or guardian will be required to arrange transportation home for the individual immediately.

TUITION

The fee for attending the 2025 Senate Scholar Program is \$250. This fee includes the cost of lodging and all meals. This fee is due by January 10, 2025, following acceptance into the program. Applicants are encouraged to solicit groups and businesses or their school for sponsorship to defray the cost of tuition.

SPENDING MONEY

The tuition fee of \$250 covers lodging, events, lunches and dinners. Scholars will need to bring spending money for the week. It is our experience that Scholars bring \$75-\$100 for the week.
