Rep. Brandtjen- (608) 267-2367

Madison- State Representative Janel Brandtjen (R-Menomonee Falls) issued the following statement regarding AB 201 and ABATE (A Brotherhood Against Totalitarian Enactments). “

For many years the organization known as ABATE has lobbied across the State of Wisconsin and the United States on behalf of liberty, justice, freedom and of course, roadway safety. I recently had the pleasure of working with them on AB 201, known as the “Right of Way” bill. The bill clears up some inconsistencies on how right of way violations are handled by law enforcement, the courts and the Wisconsin Department of Transportation. The bill contains provisions that will decrease the amount of “automatic suspensions” that result from less serious offenses. The bill enjoyed bipartisan support and all agree that it will make our roads safer for all.”
