### **Rep. Loudenbeck Receives WCA Outstanding Legislator Award**

State Representative Amy Loudenbeck (R-Clinton) was honored recently by the Wisconsin Counties Association (WCA) with a WCA Outstanding Legislator Award for her work on behalf of county government during the 2015-2016 Legislative Session.

“Representative Loudenbeck has been a strong supporter of counties this past session. She co-authored important county bills like additional funding for counties to fight fraud within state programs,” said WCA Executive Director Mark D. O’Connell. “Her partnership with counties combined with her dedication and understanding of county issues is much appreciated.”

The “WCA Outstanding Legislator Award” is handed out biennially to a select group of legislators who have represented county interests in both the legislature and in their districts. These legislators have demonstrated leadership for counties on key issues, legislation and the state budget.

O’Connell continued, “We are grateful to Representative Loudenbeck for being one of the true leaders on county issues and we appreciate all she’s done to make Wisconsin a better place to work and live.”

WCA represents the interests of county government both on the state and federal levels and is located in Madison, Wisconsin. For more information, visit [www.wicounties.org](http://www.wicounties.org).
