

WISCONSIN STATE ASSEMBLY
STATE REPRESENTATIVE
GORDON HINTZ

SERVING WISCONSIN'S 54th ASSEMBLY DISTRICT

YOU'RE INVITED...

REP. HINTZ TO HOLD BUDGET PUBLIC HEARING MONDAY, MAY 6

Greetings,

We will soon be debating Governor Walker's 2013-15 Budget in the State Assembly. It is important that I hear from you since this legislation will affect you, your family, and our community. This public hearing will provide an opportunity for an open discussion on issues and an excellent chance to have your voice heard.

As you may know, Governor Walker's biennial budget represents a significant shift in Wisconsin's priorities, including an unprecedented increase in funding for taxpayer-funded private voucher schools, rejection of federal Medicaid expansion dollars, the selling of state owned buildings and power plants, and a proposed income tax cut of approximately \$83/year for the average Wisconsin family.
