As you undoubtedly know, article IV, § 15 of the Wisconsin Constitution creates a privilege in favor of legislators against being served with civil process during each session of the Legislature and for fifteen days before commencement and fifteen days following the termination of each session. Accordingly, we are presently unable to formally serve you with copies of these documents. Until we can serve you with process consistent with the Constitution, the Court will lack personal

jurisdiction over you and you will not be permitted to participate as a party to this litigation.

However, each of you may choose to waive your privilege against service of process. We have enclosed for your use an Admission of Service in the event you decide to waive the privilege. If you do so, please sign, date and return the original Admission of Service to us. We have enclosed a self-addressed, postage prepaid envelope for your convenience.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Ismael R. Ozanne". The signature is fluid and cursive, with a prominent initial "I" and "O".
