

HEALTH SERVICES -- MEDICAL ASSISTANCE -- ADMINISTRATION

Creation of the Division of Medicaid Services

[LFB Paper #365]

Motion:

Move to adopt Alternatives A1 and B3 in LFB Budget Paper #365. In addition, modify the bill by deleting 1.0 GPR unclassified position, beginning on June 30, 2017, to reflect the elimination of the Administrator for the Division of Long-Term Care.

Reduce by one the statutory number of unclassified positions for DHS, effective June 30, 2017.

---

Note:

This motion would adopt Alternatives A1 and B3 in LFB Budget Paper #365. It would also eliminate the unclassified position for the Administrator of the Division of Long-Term Care, effective June 30, 2017. The delay is intended to allow the current Division Administrator to assist in facilitating the merger of the Division of Health Care Access and Accountability and the Division of Long-Term Care, prior to the elimination of this position.

[Change to Bill: -\$233,000 FED, -1.0 GPR position, beginning June 30, 2017, -1.0 FED position beginning in 2015-16]
