

SHARED REVENUE AND TAX RELIEF -- PROPERTY TAXATION

Property Tax Bill Information
[LFB Paper #600]

Motion:

Move to delete the Governor's proposal and, instead, require the tax bill to include the total amount of tax levied in the current year and the amount of tax levied on the property in the current year, both of which are the result of a referendum to exceed the school revenue limit, the technical college revenue limit, or the county and municipal levy limit on a non-permanent basis. Extend the requirement to towns where a vote to exceed the levy limit was adopted at an annual town meeting or at a special town meeting. Require a separate listing for the amounts associated with each such referendum or town meeting approval, which includes the date on which the additional approved levy is expected to be discontinued. Limit the requirement to referenda or town meeting votes that occur after January 1, 2015. Require the information to be supplied in a section of the tax bill that is separate from the billing information. Extend this requirement to tax bills issued in December, 2015, and thereafter.
