

SHARED REVENUE AND TAX RELIEF – PROPERTY TAXATION

Property Tax Exemption for Bible Camps

Motion:

Move to modify the property tax exemption for Bible camps by increasing the acreage limitation from 30 to 40 acres, effective with property assessed as of January 1, 2018.

Note:

Under current law, real property of any Bible camp that does not exceed 30 acres is not subject to property taxation. This motion would increase the exemption limitation from 30 acres or less to 40 acres or less. The camp must be conducted by a religious nonprofit corporation and the property must be used for religious purposes and not for profit. Increasing the limitation will result in a larger amount of property being exempt from local property taxes. Property taxes that would otherwise be due on the newly exempt property in excess of 30 acres to other property that remains taxable.
