Ski Jumping Improvements

Motion:

Move to provide the Department of Tourism an additional \$75,000 GPR on a one-time basis in its GPR marketing appropriation in 2017-18. Require Tourism to provide the funding as a grant to Vernon County for the purpose of improving structures and property within the county that are used to facilitate a national or international ski jumping competition. Require that any recipient of funding must provide a match of 33% of the grant funds (25% of total cost), and that all funds must be distributed by Vernon County within two years of receipt.

Note:

Under the bill, Tourism is provided \$1,827,100 GPR each year for marketing purposes in the 2017-19 biennium. The bill also provides transportation SEG and tribal gaming PR, for a total of \$12,545,600 each year during the 2017-19 biennium. This motion would increase GPR marketing funding to \$1,902,100 in 2017-18.
