

CORRECTIONS -- JUVENILE CORRECTIONS

Juvenile Investigative Reimbursement

Motion:

Move to modify the appropriation for reimbursement of investigative expenses of counties containing juvenile correctional facilities from an annual to a sum sufficient appropriation. Reestimate funding in the appropriation to \$36,000 GPR annually.

Note:

Under current law, counties containing juvenile correctional facilities are allowed to apply for reimbursement of expenses related to investigations related to juvenile correctional facilities. This appropriation is an annual appropriation funded at \$18,000 GPR annually. Under current law, the equivalent appropriation for adult correctional facilities is a sum sufficient appropriation.

This motion would change the appropriation for reimbursement of investigative expenses of counties containing juvenile correctional facilities from an annual appropriation to a sum sufficient appropriation. In addition, it would reestimate funding in the appropriation to \$36,000 GPR annually.
