

URGENT: "We the People" of WI need to ban any race-based ideology in WI schools.

STOP: CRITICAL RACE THEORY (CRT) from being taught in WI schools. As defined by Heritage Action, Marxist CRT teaches:

- "There is no absolute truth - only competing narratives. It sees "lived experiences" as mattering more than historical facts.
- Individuals are either an oppressor or victim. You are predetermined by immutable characteristics such as race to fall into either category. Culture is defined by groups exercising power over each other.
- America is systemically racist and must be dismantled. It sees America as having been founded on the system of capitalism, which is racist, and therefore must be disrupted." As of 7/15/21 **FOUR** states have banned CRT: AR, Idaho, OK, TN: **THREE** states await a Gov. signature: TX, AZ, Iowa: **TWO** states have written new civics curriculums: FLA, SD: **EIGHT** states prohibit teaching "divisive concepts": Iowa, LA, ME, MS, PA, RI, WI, WV

My signature on this petition states that I **DISAGREE WITH THE PREMISE OF CRT** and Want to ban **ANY** race-based ideology from being taught in any school in Wisconsin: Public, Private, Parochial, Home, etc.

July 31, 2021

Senator Andre Jacque,
PO Box 7882
Madison, WI 53707-7882

I am Shirley Kufeldt, the Secretary and Treasurer for the Republican Party of Vilas County (Eagle River).

At our recent Pints and Politics on July 27, 2021, Rebecca Kleefisch came and gave a presentation on critical race theory and school choice. I understand you have proposed **Senate Bill 411**, relating to anti-racism and anti-sexism pupil instruction...

Attached are four pages of original petition signatures to ban race-based ideology in Wisconsin schools, Critical Race Theory (CRT).

I have scanned these petitions and I am attaching a PDF of the petitions via email to all Wisconsin legislators in the Senate and Assembly.

Thanks and regards for your efforts to protect the education of children in Wisconsin's public schools.
